

DRAFT | 5-Week Reverse Sales Course | Full Curriculum

WEEK 1: Reframing Reverse for 2025

“Reverse = Retirement Mortgage”

1. Reverse = Retirement Mortgage

- Why “Reverse Mortgage” is outdated language
- How to position it as a **financial planning tool**, not a last resort
- Explaining the product in everyday language
- How to frame reverse as a **flexible repayment option** with a *growing line of credit*
- Shifting LO mindset: reverse isn’t complicated, it’s misunderstood

2. Why Reverse Is the Only Growing Mortgage Platform

- Aging demographics: 11,000 Americans turn 65 daily
- Seniors hold **\$14+ trillion in tappable home equity**
- Purchase market contraction vs. senior market expansion
- Why borrowers are more open to equity strategies post-inflation
- How reverse differentiates Luminate LOs from big-box competitors

3. How Seniors Make Decisions Today

- The new “senior buyer” informed, tech-capable, community-oriented
- Why *simplicity*, *security*, and *legacy* matter
- Adult children’s influence in decision-making
- Why seniors value listening over selling
- Trust signals: professionalism, clarity, patience, third-party validation

4. Busting Outdated Myths With Modern Data

- **Myth:** “The bank takes your home”
 - **Reality:** Borrower retains title, always
 - **Myth:** “Reverse is only for desperate seniors”
 - **Reality:** Increasingly used by high-equity, high-credit borrowers
 - **Myth:** “Reverse is too expensive”
 - **Reality:** Compare cost vs. liquidity, longevity, and retirement income
 - Modern talking points + data-backed counters
 - How to correct misinformation *with out* sounding defensive
-

WEEK 2: How to Identify 55+ Opportunities Inside Your Existing Database

"The gold is already in your CRM."

1. CRM Filtering + Triggers

- How to pull all clients age 55+
- Finding equity-rich homeowners (paid down mortgage, long-time owners)
- Filtering for upcoming HELOC hits, ARM resets, refi denials
- Triggers: birthday automation, rate maturity, property value changes
- Creating a weekly "Reverse Opportunity Report"

2. AI-Powered Opportunity Mining

- Using ChatGPT to analyze CRM data patterns
- Automatically detecting financial pain points (cash flow, medical expenses, empty nest, downsizing)
- Creating an AI prompt library for scenario identification
- How to generate consumer language from CRM notes
- Using AI to turn past interactions into future conversations

3. How to Talk About Reverse in 30 Seconds

A simple, repeatable pitch:

"We offer a Retirement Mortgage that helps homeowners 55+ access equity without taking on required monthly payments. It's a flexible way to strengthen cash flow, preserve assets, or age in place, and it's fully protected under federal rules. Want me to see what this could look like for you?"

Sub-bullets:

- Tone matters more than technical knowledge
- Don't "sell"; invite curiosity
- Focus on benefits first, details second

4. Scripts for Past-Client Outreach

- **Script 1: Equity Check-In**
"Hi <name>, many of my clients 55+ are exploring ways to strengthen retirement cash flow using their home equity... Would you like a quick estimate?"
 - **Script 2: Market Update**
"You may qualify for a Retirement Mortgage option where you *choose* whether to make monthly payments."
 - **Script 3: Soft Intro Text**
"I have something new that might help you or someone you know who's 55+. Want to hear about it?"
 - **Script 4: Family-Focused**
"This can help your kids avoid taking on expenses later, want to learn how it works?"
-

WEEK 3: Messaging That Works | Seniors, Families & Advisors

"It's not what you say; it's how people hear it."

1. Understanding the Senior Buyer Mindset

- Seniors respond to **trust**, not tactics
- Why clarity beats complexity
- They want reassurance about:
 - Remaining in their home
 - Protecting a spouse
 - Leaving value for heirs
 - Avoiding monthly payment obligations
- Their top emotional drivers: comfort, stability, independence

2. Modern Messaging Frameworks

- **The CARE Framework:**
 - **C**larify
 - **A**lign with their goals
 - **R**eassure
 - **E**ducate without pressure
- **The 3R Value Story:**
 - **R**etain home ownership
 - **R**ecieve optional payments/LOC
 - **R**elax knowing they aren't forced into monthly payments
- **The Family Triangle:**
 - The Senior
 - The Adult Child
 - The Advisor
 - (Why each hears a different benefit)

3. Before & After Language Examples

Before (Old School)	After (Modern)
"Reverse mortgage"	"Retirement Mortgage"
"Take equity out"	"Unlock equity for retirement flexibility"
"No payments required"	"You choose whether to make a payment"
"For people who need money"	"A financial strategy to strengthen retirement planning"

4. AI Tools to Personalize Outreach

- Using ChatGPT to rewrite messages for:
 - Seniors
 - Adult children
 - Realtors
 - Financial advisors
- Using AI to turn product features into human benefits
- Creating personalized follow-up messages

- Building a messaging library for your LO team
-

WEEK 4: Marketing in the AI Era | Tools, Templates & Shortcuts

“Scale your reach without scaling your workload.”

1. How to Use ChatGPT + SimpleApp + Scenario Desk Together

- ChatGPT:
 - Write outreach
 - Build scripts
 - Analyze CRM notes
 - Personalize messaging
- **SimpleApp:**
 - Fast scenarios while on the phone
 - Quick estimates for curiosity-based conversations
 - Pre-application intake with zero friction
- **Scenario Desk:**
 - Submit 3 data points → get polished results
 - Helps LOs act like reverse experts instantly

2. Social Media Templates

- 55+ equity awareness posts
- “Did you know?” myth-busting posts
- Retirement planning angle posts
- Reverse Purchase (H4P) posts for realtors
- Family-focused posts (“Help your parents age in place”)
- Short-form video scripts (15–30 seconds)

3. Email Sequences

Three core sequences:

1. **55+ Outreach** (5 emails)
2. **Past Client Reactivation** (4 emails)
3. **Advisor Partner Sequence** (6 emails: CPA, Financial Planner, Attorney)

Each includes:

- Education
- A scenario invitation
- A simple “Reply YES to see your numbers” CTA

4. Video Scripts for Realtors & Financial Planners

- 30-second Realtor intro

- 45-second “HECM for Purchase” explainer
- 60-second “Why Financial Planners Should Care” script
- Co-branded video template for partners

WEEK 5: Putting It Together | Your Reverse Growth Plan for 2025

“Reverse becomes a habit, not an exception.”

1. Build Your 90-Day Reverse Plan

- Identify 30–50 CRM prospects aged 55+
- Add 5–10 Realtors who serve downsizers
- Build 3 advisor relationships
- Submit 1–2 scenarios weekly
- Commit to one weekly outreach block (60 minutes)
- Create your personal reverse marketing assets

2. How to Integrate Reverse Into Every Mortgage Conversation

- Use a “reverse moment” in every loan consult
- Compare conventional vs. reverse outcomes
- Introduce the concept early (“We have a retirement mortgage option...”)
- Always ask: “What are your long-term plans for the home?”
- Use SimpleApp during the call for curiosity-driven engagement

3. How to Partner with Realtors, Builders & Planners

- Realtor strategies:
 - Downsizing options
 - Aging-in-place listings
 - H4P workshops
- Builder strategies:
 - New construction for seniors near family
 - “One-level living” promotions
- Advisor strategies:
 - Asset preservation
 - Tax-free liquidity
 - Longevity planning

4. Open Q&A + Success Stories

- Share internal LO wins from the course
- Live scenario walk-through
- “What’s stopping you?” objection clearing
- Group commitment to 90-day goals
- Final call to action: submit one scenario within 48 hours
